"PHONE CONFERENCE"

RE: Report on AVCOA Annual meeting with specific regards to Assessments, and MATA's demands for AVCOA to conform to project documents.

Dick Brotherton, Bill Geisler, Patty Hukari, were contacted individually and given a report as to the results of the AVCOA meeting.

It was requested by AVCOA that MATA change the restrictions placed upon the March, and April payment checks, which were "paid in full" endorsements. MATA's attorney Brian McMahan suggested that we as a board approve checks that AVCOA could negotiate without protest as well as checks that are under protest. Both Brian and Dave felt that under the current climate at the meeting it would be in MATA's best interest to show a good faith offering at this point in time.

All were in agreement.

This communication was sent, by letter, to the AVCOA Board April 28, 1998 by Brian McMahan.

Respectfully Submitted into the MATA records

David K. Holland, President
